Report - DOCTOR PREMIEUM LEAGUE

(DPL-5th November to 15th November 2025)

The Doctors Premier League (DPL) is an annual sporting initiative designed to promote physical fitness, teamwork, stress relief, and camaraderie among medical professionals. The league brings together doctors from various departments and institutions to participate in a competitive yet friendly cricket tournament. By combining sportsmanship with professional unity, DPL aims to strengthen bonds within the medical community. We are thankful to the vice chancellor Dr. Bhupinder Kaur Anand, Registrar Professor Mohd Parvej and the all the management.

Objectives of the Event

- Promote physical and mental well-being among healthcare workers.
- Encourage team spirit outside the clinical environment.
- Provide a stress-relief outlet from demanding medical schedules.
- Strengthen interdepartmental communication and collaboration.
- Create an annual tradition that celebrates the energy and enthusiasm of doctors.
